Under Construction Beckenhauer Construction Keeping Busy At School

Norfolk Middle School is now fully enclosed and construction is on schedule for completion this summer, just in time to move all the public school sixth graders into the new facility.

Winter can make construction challenging, but it progresses nevertheless. Work is underway on the new addition as well as interior renovations to Grant Elementary.

Groundbreaking for the new BankFirst branch in O'Neill.

BankFirst To Open Full Service Branch In O'Neill

Construction is now underway on a new BankFirst facility in O'Neill, Nebraska. BankFirst is new to the O'Neill community, but they are already off and running, using a temporary facility during construction of their new building.

The subcontract bids are in, and even though winter weather will impact the initial work, occupancy is slated for early fall.

Building upon outstanding past relationships, Beckenbauer Construction was selected to construct a second new facility for BankFirst in 2005. Nothing makes our job more enjoyable than working for satisfied repeat clients, and we're pleased to be able to count BankFirst among those.

Right: Cutting the ribbon for the Holt County Courthouse addition and renovation.

Joe Beckenhauer with his proud parents, Buster and Linda.

Congratulations!

December 16, 2005 was graduation day for Joseph Michael Beckenhauer. Joe received his Bachelor's degree in Construction Management from the University of Nebraska-Kearney and is now hard at work learning more of the family business, joining his father, Buster, and older brother, Bill. With all of the projects we are currently involved in, we can sure use his assistance. Welcome home, Joe.

Because It's Our Commitment

Beckenbauer Construction has made a Corporate commitment to being a leader in the field of Design/Build and Construction Management. Our relationships are built upon trust, honesty and integrity as evidenced by our many repeat clients—many of whom have been shared from generation to generation.
