## Don't Just Take Our Word For It!

Here's what our clients have to say about BCI...

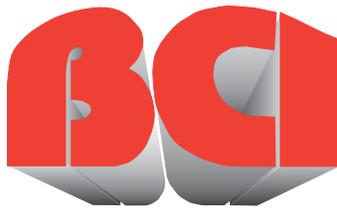

**W**e often talk about our projects in the pages of this newsletter, but the people who really count are the ones we serve. After all, self-praise is no recommendation. The letters we receive from clients are truly the best feedback on how well we listened and how well we performed on their project.

Here at Beckenhauer Construction we pride ourselves on being problem solvers. It is our goal to turn every client's dream into a reality. If we haven't already worked for you, we hope to count you as one of our satisfied customers in the future. Here's what a few of our clients have had to say about us.

"I thought that I'd write and let you know how grateful I am for the expertise and professionalism your crew showed both during phase I of our expansion and through phase II...right up to completion."

## Employee of the Year Bonnie Meyer

**B**CI accountant Bonnie Meyer was honored as the 2005 Employee of the Year. Bonnie's dedication to her work and to the company show through in her work every day. She exemplifies the core values of Beckenhauer Construction with her quality, reliability, honesty and integrity. The accuracy of her reports helps us manage our work and stay on top of our costs, which in turn allow us to better serve our clients. Congratulations, Bonnie.

## Because It's Our Commitment

Beckenhauer Construction has made a corporate commitment to being a leader in the field of Design/Build and Construction Management. Our relationships are built upon trust, honesty and integrity as evidenced by our many repeat clients—many of whom have been shared from generation to generation.

## More School Construction Starts For BCI And Norfolk Public Schools

Subcontract bids are in and under budget for Bel-Air and Westside Elementary Schools. Additions and renovations will be moving forward in earnest this summer while the students are on summer vacation. Norfolk Senior High and Junior High are also slated for bidding and construction to start this summer. As the weather heats up, so does school construction here in Norfolk.
