Project Summary:

This was a multi-phase project so as to not inhibit continued use of existing space. Phase 1A provided temporary Courtroom, judicial and administrative space. Phase 1B was a new 160 bed Jail facility and Emergency Operations Center. Phase 1C provided a new home for the County Attorney's Office by renovating existing office space. Phase 2 included a new courtroom complex, judicial and administrative space and 43 additional beds. Phase 3 included renovation of existing office areas. Work on Phases 4-7 were not a part of the bond election money, but included renovation to the remaining office areas.
